Linimentum.

WORTHY of the NINETEENTH CENTURY.

DR. E. CONWAY'S

LINIMENTUM

For the speedy and effectual cure of

RHEUMATISM

I present the "Linimentum" to the public as

one of the best and most effective of

the day. I do not wish to be understood as claiming

for all the purposes of a FAMILY LINIMENTUM, it has no equal. The "Linimentum"

has been known to fail.

In any case of Rheumatism, no matter of how long standing, where the directions were carefully ful-
filled, nor, indeed, in the case of any disease for which

no specific is known.

In cases of rheumatism, pain in the back, legs, and

other joints, the chronic, spasmodic, spinal, inter-
costal, and pleural, rheumatism, burns, scalds, frost-
bite, and rheumatism, etc., we will prescribe, burn-
ing, fomentations, poultices, leeches, &c., &c.

The "Linimentum" is the result of many years

passing experience, and combines among its rare

excellencies the peculiar virtues of:

AN EXTRAORDINARY PENETRATIVE

POWER.

Which no other Liniment possesses, and which is the

secret of its continued success, which makes the

"Linimentum" what it is.

TRY IT ONCE, AND YOU WILL NEVER BE

WITHOUT IT.

It is put up in 45 cent, 50 cent, and 51 bottles, with

all directions for use, and manufactured only by

DR. E. CONWAY, Proprietor,

No. 216 Third Street, Dayton, Ohio.

For sale by merchants and druggists everywhere.
